General Announcement to all Parishioners

Guidance in Giving, the consulting firm retained by the Archdiocese, has been tracking the progress of the pledges received for all parishes and sending out all correspondence to parishioners, with the respective pastors' signatures, in response to the campaign.

It has come to my attention that many parishioners recently received a letter, with my signature, requesting support for the campaign when a pledge or actual donation had previously been given. Please accept my sincerest apology for this error. We are working with the Guidance in Giving and the Archdiocese to correct the situation. May God bless you abundantly for your generosity!

Peace,
fr. remo
